Transfers at USP Pollock

October 14, 2022

During September, the CIC conducted an inspection of USP Pollock in Pollock, Louisiana. Several residents anticipated transferring out of USP Pollock in the near future. BOP executive leadership would neither confirm or deny those allegations due to safety and security concerns.

As of the publication of this radar, three DC residents have been transferred out of USP Pollock. The CIC will continue to closely monitor the situation at Pollock and communicate with residents in custody. We encourage residents and loved ones to contact the CIC with any additional insight or information.
